

THE

CHARACTERISTICS

OF

WINNING TEAMS

MARK SPEAKS
MARK A. HERNANDEZ

What would it mean to you if you had a blueprint to equip your team to create sustained High Performance? The ability to build winning teams is not just for the elite NFL, College, or Olympic teams, but for your team as well. Receive the same blueprint my mentor and leadership Guru, John C. Maxwell crafted to build a winning team that launched with 500 members to currently over 20,000 members in over 100 countries. Get ready to be challenged, inspired, and equipped with a blueprint for building winning teams that will take your team to the next level.

Key learnings:

1. Discover the six characteristics that create a winning team.
2. Practice skills that will help build a Winning Team in a highly engaging and fun way that reinforces each characteristic.
3. Evaluate areas of opportunity for coaching using the Winning Team survey.

What People are saying:

"He made it fun and interesting"

"I loved the examples and exercises"

"It was Fantastic"

"Wonderful Leadership training!"

Great Job!

"Wow, Best speaker I have ever heard!"
