Mark has been blessed to have been equipped by the forest most experts in leadership, public speaking, and high performance and would love the opportunity to team up with your organization to create sustainable success. Mark will inform, challenge, and inspire your organization to create new level of performance.

Mark's 20 plus years of experience will provide the following type of leadership programs:

- Motivational Keynotes, Workshops, and Coaching.

The COVID-19 pandemic has impacted the entire world creating a level a crisis that many organizations and leaders have never encountered. How well an organization comes out of any crisis lies solely on the leader's capabilities to see, deal, and work with their team to work through the crisis. Leading Through Crisis shares insights from an online summit delivered by Mark's mentor and leadership Guru, John C. Maxwell with over 250,000 viewers. Be ready to be informed, challenged and inspired to Be the leader whose followers want them to be led through a crisis.

Key Takeaways:

1. Discover five comments to adopt successful thinking habits during any crisis.
2. Identify five principles to effectively shift your perspective during a crisis.
3. Discuss six practical ways to maneuver through times of crisis.
4. Bonus: each attendee will receive Free access to online training sessions with my mentor and leadership Guru, John C. Maxwell
