MARK A. HERNANDEZ

BECOMING A REAL SUCCESS

Each team and organization desires to be led not managed to reach their full potential and create amazing results. Becoming A REAL Success is delivered high energy and highly engaging exercises that provides a roadmap for success. This workshop uses an easy and powerful acronym conveyed in REAL to convey powerful principles and practices REAL (Relationships, Equipping, Attitude, Leadership) Leader. Be ready to be informed, challenged, and inspired to become a REAL leader.

Key learnings:

- Learn the 4 leadership principles that will elevate your influence.
- Participate in six exercises that will reinforce the principles and help sharpen a new skill.
- Be immersed in a learning environment that creates a memorable experience.
- Each participant will receive a certificate of completion.
- Bonus: Receive a leadership library thumb drive with over 100 leadership resources (5 years to compile).

What People are saying:

"He made it fun and interesting"

"I loved the examples and exercises"

"I would love taking courses like this; it benefits me, the company, and the rest of the employees"

"Wonderful Leadership training!"
